# **SINGLE-USE APPLICATOR TUBE**

Perfect for a mail-out sampler or a regulated daily-use regimen.

The tube offers a low cost solution to meet consumer needs for more practical packaging.

Available in capacities ranging from 2ml to 10ml

The tube and cap can be produced in custom colors and feature a variety of decoration options including off-set, silk screen and hot stamp printing.

Beautifully simple pull-off cap also works as an ergonomic applicator handle, ideal for most cosmetic applications.

The cotton applicator tip is well suited to cosmeceutical applications, it works well with a myriad of formulations such as serum or peels, root touch ups, wound or burn treatment, hair removal and much more.
